CAYONOPLAN

ADVANTAGE ♦♦♦

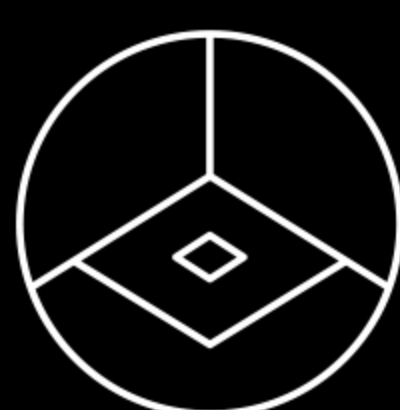

RAISE THE STANDARD, REDUCE THE COSTS: CAYONOPLAN SHOWER SURFACES.

The new way of entering the world of floor-level shower surfaces is called CAYONOPLAN. Thanks to 19 different dimensions, its waste outlet at the side and the ultra-flat tray support for the easiest possible assembly, the CAYONOPLAN is the ideal solution. With a rim height of 32mm and/or 40mm for formats with side lengths

of over 120cm, it can be perfectly installed on top of tiles, although floor-level installation is also possible. As the perfect match for the CAYONO bathtub and the PURO washbasin, the CAYONOPLAN rounds off bathroom design.
